MISSION

Yeshiva D'Missouri's primary goal is the development of bnei Torah through **limud ha-Torah b'iyun, limud hamussar**, a long term **meaningful rebbe-talmid relationship** and an **achrayus for klal yisrael**.

Our alumni exemplify **middos tovos** and **derech erez** and live their lives as bnei Torah, whether pursuing a job in chinuch and harbotzas haTorah or a professional career.

REBBEIM

Our rebbeim are **vibrant, warm** and **approachable**, and work with sincere dedication to help each talmid succeed. They are **talmidei chachomim** who are **Torah leaders in character and in knowledge**, and are well versed and trained in chinuch. Their sense of mission in **helping build tomorrow's leaders** of Klal Yisroel makes each rebbe truly exceptional. The understanding and acceptance they show the bochorim fosters a **strong kesher** with a relationship of mutual trust and respect.

TORAH

Daily mussar study through shiurim and chavrusa learning focuses on the study of the classic mussar sefarim and their applications.

Additionally, a weekly shmues and chazaras hashmues assist talmidim in developing analytical skills by delving into mussar lessons gleaned from select ma'marei chazal.

VAADIM & GUEST SPEAKERS

Mussar vaadim focus on practical application and guidance through the presentation of critical hashkafos HaTorah. Guest speakers share their knowledge with talmidim on important topics.

MUSSAR

Iyun: Interactive shiurim and chavrusa learning guide talmidim as they delve deeply to gain clarity and a profound understanding of the gemara. Critical thinking skills are developed through this process of in-depth learning.

Bekiyus: Shiurim and chavrusa learning expose talmidim to a breadth of gemara learning at a faster pace while developing reading skills to make a leining.

Halacha: The focus is the study of mishna berura with the goal of talmidim amassing knowledge in practical halacha for everyday life. Talmidim learn how to independently learn and understand the halacha from the study of the text. Talmidim also gain the experience of preparing and giving clear halachic summaries to fellow talmidim on various topics throughout the year.

“What sets MTI apart is how the yeshiva prepares us for life. The yeshiva’s goal is bigger than just teaching gemara or mussar; they build up the talmidim to become independent and give us the tools to learn, work on ourselves and be successful in whatever we decide to do, all the while maintaining a strong connection to Hashem and His Torah.”

CHEVRA

Our bais medrash is comprised of a group of exceptional young men who have created close-knit bonds in the warm and welcoming environment of the yeshiva. Achdus is developed as the bochorim form meaningful relationships while encouraging and supporting each other.

On out-shabbosim, one can choose to spend shabbos at home, visit friends, or stay in the dorm. In addition, groups of talmidim are afforded the opportunity to inspire and uplift various communities while enjoying a change of scenery and a break as they spend Shabbos together and return refreshed and energized.

MAGNIFICENT CAMPUS

In the summer of 2015, with great siyata dishamaya, MTI acquired an 8.65 acre, 120,000 square foot spectacular, sunlit, state-of-the-art campus.

The property can best be described as a five-star experience for talmidim, both academically and recreationally, and is a crown jewel of Torah in the Midwest.

LOCALE

DORMITORY FACILITIES

MTI's beautiful, self-contained campus offers state-of-the-art dormitory rooms in its student housing wing featuring bright skylights in common areas with couches and lounging areas, a commercial laundry facility, barbershop and an infirmary.

Chesterfield, a serene suburb of St. Louis, provides an ideal backdrop for our yeshiva. The overall culture of the city has a classic, small-town feel with core values that makes Chesterfield a safe and wholesome place to thrive. The local Jewish community is vibrant, warm and welcoming, and is home to the complete infrastructure of a frum community, from kosher establishments to day schools and kollelim.

The community of Chesterfield provides a close-knit locale with a high quality of life and deep-rooted values, and is home to our magnificent, state-of-the-art campus.

COLLEGE CREDITS: As an affiliate of Rabbinical Seminary of America (RSA), an accredited college, MTI talmidim can earn college credits toward their undergraduate degree. Qualifying students can also receive federal financial aid (Pell grants).
